North Melbourne, Australia, December 7, 2017 – [Bluefish444](http://bluefish444.com), manufacturer of the professional video industry's highest-quality uncompressed 4K SDI, ASI, Video Over IP & HDMI I/O cards, and mini converters, has released [Windows installer v5.13.4](#), which includes additional features for [Bluefish444 Symmetry™](#), [Adobe® Premiere® Pro CC](#) and [Avid® Media Composer®](#), and now adds support for [Foundry Nuke®/Nuke Studio®](#), [CasparCG](#) and [Unity](#).

Bluefish444 Windows Installer v5.13.4 adds:

- Fill/Key mode playback and capture in Bluefish444 Symmetry
- Reduced latency in Avid Media Composer
- GPUDirect transmit acceleration, 2 sample interleave quad link playback, and 2 sample interleave dual/quad link record in Adobe Premiere Pro CC
- 2K/HD/SD-SDI playback support in Foundry Nuke and Nuke Studio
- HD/SD-SDI playback with Fill/Key support for CasparCG 2.1
- HD/SD-SDI I/O support for Unity

For more detailed information, Bluefish444 users can download the release notes for v5.13.4 on the [Bluefish444 website](#).

Bluefish444 recommends that all customers using [Bluefish444 Epoch products](#) with Windows update to this latest installer. The installer can be downloaded from the [Bluefish444 website](#).

About Bluefish444:

Bluefish444 is the manufacturer of the industry's highest-quality uncompressed 4K SDI, ASI, Video Over IP & HDMI I/O cards for the Windows, macOS and Linux operating systems. Its video cards are used not only in traditional broadcast and post-production, but also in emerging workflows such as live events, immersive graphics, augmented reality and Video Over IP. Bluefish444 has a growing presence in industries adopting professional video such as the medical, automotive, defence and mining industries.

Bluefish444 cards have been used on award-winning feature films, commercials, music videos and sports events worldwide. Bluefish444's range of video cards are incorporated in video servers, encoders, decoders and character generator solutions by numerous 3rd party OEM manufacturers, in addition to other niche & mainstream applications.

Founded in 1998, Bluefish444 is a division and brand name of Bluefish Technologies Pty Ltd., which is based in North Melbourne, Australia. Its products are distributed via an extensive sales channel of OEMs, dealers, and system integrators globally. For further information, visit bluefish444.com
